experts to serve on the stream and wetland connectivity  
panel

(b)(5) Feb 4 for  
publication sounds reasonable.

Okay. Still will need that waiting period to get into the FRN.  
We're probably not too far off. (b)(5)

Maybe we'll move to feb 4. Sound reasonable to you?

Folks want to bump it up. Try to get to SAB by end of next week.

Hey Travis

I saw an earlier email that indicated that the FRN would likely  
go around Feb 7. We're adding this to the press planner now. Is  
Feb 7th a good target date?

Thanks

liz

Nancy reviewed the FRN and indicated that OW could provide  
comments by tomorrow with the goal of moving this to the SAB as  
soon as possible, perhaps next week if that works.
